The surface is highly detailed with various lines and textures, suggesting a complex internal structure or a specific manufacturing process. The overall appearance is aged and weathered, with a mottled grey and brown color palette.

A dark, textured peaked cap, likely made of wool or a similar material. It features a silver-colored band with a central crest. The crest is a shield-shaped emblem with a crown on top, possibly representing a military or naval rank. The cap is shown from a slightly elevated, front-facing perspective.

A five-pointed star medal, likely a commemorative or service medal. The star is dark with a metallic sheen. In the center of the star is a circular emblem containing the Chinese character '高' (Gao), which means 'high' or 'tall'. The star has a slight 3D effect with highlights and shadows on its points.
